

Activities Officer SUHAS

MSc. in Artificial Intelligence and Data Science

ABOUT ME

Energetic and experienced in student events, I'm passionate about connecting people and creating a vibrant, inclusive campus community

WHY ME

1. I bring fresh ideas and a hands-on approach.
2. I listen to students and turn their ideas into reality.
3. I make activities fun, inclusive, and memorable.

WHAT I PROMISE

- Organize exciting events and campus activities regularly.
- Bring creativity and energy to all student programs.
- Collaborate with clubs and societies for more variety
- Make Keele's postgraduate community lively, engaging, and unforgettable.
