

THE ORDER OF THINGS

(THE KPA BEER GARDEN)

What's changed..?

- Due to current government guidance, we will only be operating our outside area, so lather up in the SPF or wear your head umbrella!
- Under current government restrictions, you are only allowed to bring 6 people to the 'literal' yard.
- Track 'n' trace to stay safe!
- We're 'masking for a friend'... please wear masks on entering the beer garden & using the toilet facilities.
- Whilst musical chairs is a fun game, we won't be playing it for a while - so please stick to your tables and bubbles!

What's stayed the same..?

- Our commitment to ensuring you have a FAB experience & providing you with a second home.
- Our amazing staff - they'll be smiling even behind a mask!
- Our beautiful SUN FACING beer garden!
- Jules' complete overuse of fairy lights, which have now moved to outside everyone will be pleased to know.
- Great drink & even better food!
- We are still the KPA, we are still fun & we are still here for all of you!

Can't wait to see you, Jules & The Team
